

Bigger Bat

I was late for baseball practice. I grabbed my gear and ran for the car. The coach had extra bats so I took the biggest one. I hit a home run! The coach gave me a whoop and a high-five. I went home feeling that things had worked out well after all, and that I should start saving for a bigger bat!

Bigger Bat

I was late for baseball practice. I grabbed my gear and ran for the car. *When I got to baseball field, I realized I had forgotten my bat.* The coach had extra bats so I took the biggest one. I hit a home run! The coach gave me a whoop and a high-five. I went home feeling that things had worked out well after all, and that I should start saving for a bigger bat!
