

## Horseback

Bob went horseback riding. His horse jumped a fence.

When he got out of the hospital, he discovered that, although his foot wouldn't fit in the stirrup because of his cast, he could still ride.

## Horseback

Bob went horseback riding. His horse jumped a fence.

*The horse made it over safely, but poor Bob fell off and broke his leg.*

When he got out of the hospital, he discovered that, although his foot wouldn't fit in the stirrup because of his cast, he could still ride.
