

Movie Time

The aroma from the cafeteria was wafting into the classroom. It smelled like a movie theater! The students filed into the cafeteria to watch the movie. They each took a bag. They had a great time, watching and munching.

After the movie, there was a long line at the water foundation.

Movie Time

The aroma from the cafeteria was wafting into the classroom. It smelled like a movie theater! The students filed into the cafeteria to watch the movie. They each took a bag. They had a great time, watching and munching. *However, the popcorn made the students thirsty.* After the movie, there was a long line at the water foundation.
