<http://www.neuhausacademy.org>

Neuhaus Academy is a free, online resource for adolescents and adults who want to improve their ability to read, and for those individuals who want to increase their vocabulary knowledge.

These video lessons are free and can be accessed on demand at any time, in any place, and can be reviewed as often as needed or desired. The user can learn the information at their leisure and at their own pace.

INSTRUCTIONAL VIDEOS

PO Videos – Narrated videos that build reading skills. The P stands for *phonology* (sounds in a language) and the O stands for *orthography* (how words are spelled). The PO clues teach strategies to pronounce vowel sounds in short and long words.

MSS Videos – Narrated videos that build vocabulary skills. The M stands for *morphology* (how a word is put together), the S stands for *semantics* (meaning), and the last S stands for *syntax* (grammar or how a word functions or is used in a sentence).

All videos are accessible in the Video Library. Reinforcing Work Pages are available in the Work Pages Library.
