

Rodeo

Clad in western shirts, jeans, and red bandanas, the students from Mrs. Smith's kindergarten class loaded the bus for the Houston Livestock Show and Rodeo. The goats, cows, rabbits, and chickens delighted the students. Mrs. Smith and the students ate lunches of hot dogs and chips in the picnic area. After lunch, the students each rode four rides. They all declared that their favorite was the Ferris wheel.

Rubbing their eyes, stretching and yawning, the students arrived back at school very rested.
